

### FRANKFORT ROUNDABOUT.

The examining trial of Mr. Alex. Julian, for assault upon Miss Maggie O. Hawkins, was had on Saturday last, when he was held over in bond of \$1,000, which was promptly given.

The first electric lights ever seen in this city were burning at the Custom House wharf on Sunday evening. The fine tow boat, Excel, was provided with them, and while burning they lighted up that section of the city in splendid style. We are informed by Capt. E. M. Drane, agent for the Blue Wing, that that steamer is soon to be provided with them also.

The saw and planing mill of Messrs. W. J. Hughes & Son was destroyed by fire on Wednesday morning last. The fire was discovered just before 1 o'clock, and was beyond control when first seen. The mill and contents were totally consumed, involving a loss of about \$5,000. Their large yard full of lumber was saved without damage. The property was covered by insurance.

### It Will Not Disappoint You.

I contracted blood poison two years ago. I was treated with Potash and Mercury for over two months by physicians. I thought I was well, but the fires were only smoldering. The eruption came anew more violent than before. A friend who had tested it in a similar case suggested S. S. S. I began its use, and commenced to improve from the start.

As the disease passed away, it left me with mercurial rheumatism as the result of taking the mercury and potash mixtures. That is also yielding to the influence of Swift's Specific, and will soon be gone. To the afflicted I would say, give it a fair trial, and you will not be disappointed in results.

### PYÆMIA

Is the most virulent form of blood-poisoning. Less speedily fatal, but not less certainly so, is the vitiation of the blood of which the first symptoms are Pimples, Sties, Boils, and Cutaneous Eruptions. When the taint of Scrofula gives warning of its presence by such indications, no time should be lost in using AYER'S SARSAPARILLA, the only perfect and reliable medicine for the purification of the blood.

### SCROFULA

Is a foul corruption in the blood that rots out all the machinery of life. Nothing will eradicate it from the system and prevent its transmission to offspring but AYER'S SARSAPARILLA. This preparation is also the only one that will cleanse the blood of Mercurial poison and the taint of Contagious Diseases. Impoverished blood is productive of

### ANÆMIA

A wretched condition indicated by Pallid Skin, Flaccid Muscles, Shattered Nerves, and Melancholy. Its first symptoms are Weakness, Languor, Loss of Nerve Force, and Mental Dejection. Its course, unchecked, leads inevitably to insanity or death. Women frequently suffer from it. The only medicine that, while purifying the blood, enriches it with new vitality, and invigorates the whole system, is
